

GAIN IN WEIGHT IS WONDERFUL

Young Woman Only
Weighed 76 Pounds—Now
Weights Over 100 and Is
Gaining Every Day

"Before I began taking Tanlac I only weighed 76 pounds. I now weigh over one hundred and am gaining every day," said Miss LaRue Davis, of Chattanooga, Tennessee.

"I bought my first bottle of Tanlac at Gas City, Ind., and it helped me so much that I continued using it. I have always been very delicate and suffered a great deal from stomach trouble and rheumatism. I rarely ever had any appetite and simply could not relish anything. I fell off until I only weighed 76 pounds and was so thin I looked perfectly awful. This is the condition I was in when I began taking Tanlac.

"Oh, I feel so different now. Even my complexion is improved. My appetite is good and I can hardly get enough to eat. Tanlac is simply grand and I can truthfully say that it is the only medicine that has ever done me any good."

Tanlac is sold in Brattleboro by the Brattleboro Drug Co.—Advertisement.

FRECKLES

Now Is the Time to Get Rid of These Ugly Spots.

There's no longer the slightest need of feeling ashamed of your freckles, as Othine—double strength—is guaranteed to remove these homely spots.

Simply get an ounce of Othine—double strength—from any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.

Be sure to ask for the double strength Othine as this is sold under guarantee of money back if it fails to remove freckles.—Advertisement.

LEGION STATE CONVENTION PLANS

General Edwards to Deliver
Address on Rutland
Fair Grounds

GOV. HARTNESS AND
CONGRESSMAN DALE

Two of the Speakers at Memorial Armory—Rutland Memorial Boulder to Be Unveiled—Clean-Up Squad on Duty Sept. 6 and 7.

RUTLAND, Aug. 26.—That Rutland will entertain the greatest assemblage of World War veterans ever gathered in this state is evidenced by the activity of Rutland post, No. 31, department of Vermont, in making its preparations for the third annual convention to be held here Sept. 6 and 7. Already the merchants and business men of the city, with the whole-hearted co-operation of the Chamber of Commerce, have entered into the spirit of the occasion and have contributed towards making the gathering one of the biggest of its kind ever held in this city.

Adjutant Allen Fletcher, department of Vermont, was in this city yesterday conferring with the members of the state and local committees toward perfecting the program and completing the arrangements to take care of the host of visitors who will be present.

The fact that the Rutland fair will be on at the same time adds to the zest of the program. The Rutland fair committee will admit every man wearing a Legion button to the Wednesday afternoon and evening program and the day will be known as "Legion day."

Maj. Gen. Clarence R. Edwards will address the ex-soldiers at the fair grounds. It is barely possible that Vice President Calvin Coolidge, the sage of Plymouth, will also extend his greetings at the same time.

Among the speakers who will address the legionnaires at the new memorial armory where the convention meetings will be held are Gov. James Hartness, Congressman Porter Dale, National Adjutant Lemuel Bolles, Past National Chaplain Rev. Francis Kelly of Troy, N. Y., and C. R. Bains, business manager of the American Legion weekly.

Music will be furnished by the Rutland City band and other forms of entertainment will be made. It is the purpose of the local committee, composed of John J. Cocklin, Robert P. Bibby, George F. Jones, Jack A. Crowley and Dr. James A. Hamilton, to give the visiting legionnaires one of the best times since the dates of their respective discharges.

The Rutland memorial boulder, upon which are inscribed the names of 36 Rutland boys who died during the war, will be unveiled at this time. A fitting ceremony will be had.

The clean-up squad, sent from the national headquarters, will be present at the American Legion tent at the fair grounds. This squad is being sent into the field to take care of the pending cases of claims by ex-service men for partial or total disability and will take charge of all those cases which come to their attention. The squad consists of James W. Muirhead, George N. Welch, Dr. J. L. Clancy, J. G. Gibling and Edwin W. Gantt.

All visiting members of the Legion will be provided with quarters and those who come by automobile will find a place in which to garage their cars. Everything is being done to make the legionnaires' visit an enjoyable one.

NO TRACE OF AMHERST MAN.

Friends Offer \$100 Reward for Discovery of Edward Huntington

AMHERST, Mass., Aug. 26.—Search was continued here yesterday for Edward Huntington, who disappeared from his home on the Belchertown road

A Great Discovery

Dr. Leonhardt found the cause of Piles to be internal. His prescription, Hem-Roid, has an almost unbelievable record for quick, safe and lasting relief. The Brattleboro Drug Co. sell it with money-back guarantee.—Advertisement.

Brattleboro, Vt.

Wednesday morning, but no trace of the missing man was secured. Fears are entertained that he may have taken his life, and last night a reward of \$100 was offered for the finding of Mr. Huntington either alive or dead.

A party of about 25 men went out yesterday and searched the woods in all directions in the vicinity of his home and the Pelham woods also were given attention. A pond not far from his home was also dragged. No reason other than his ill health has been assigned for Mr. Huntington's sudden and unannounced departure.

China's coal supply, while his virtually untouched, is believed to be sufficient to supply the wants of the human race, at the present rate of consumption, for at least 1,000 years.

*Says the dealer—
"Less carbon"*

"SOME motorists have a lot of trouble with carbon. Believe me, there would be less knocking on hills, fewer scratched cylinder walls, and less spark plug fouling, if everybody would use Socony Gasoline."

"It has taken nearly two generations of refiners to produce Socony, but when you have it in your tank, you know you are right."

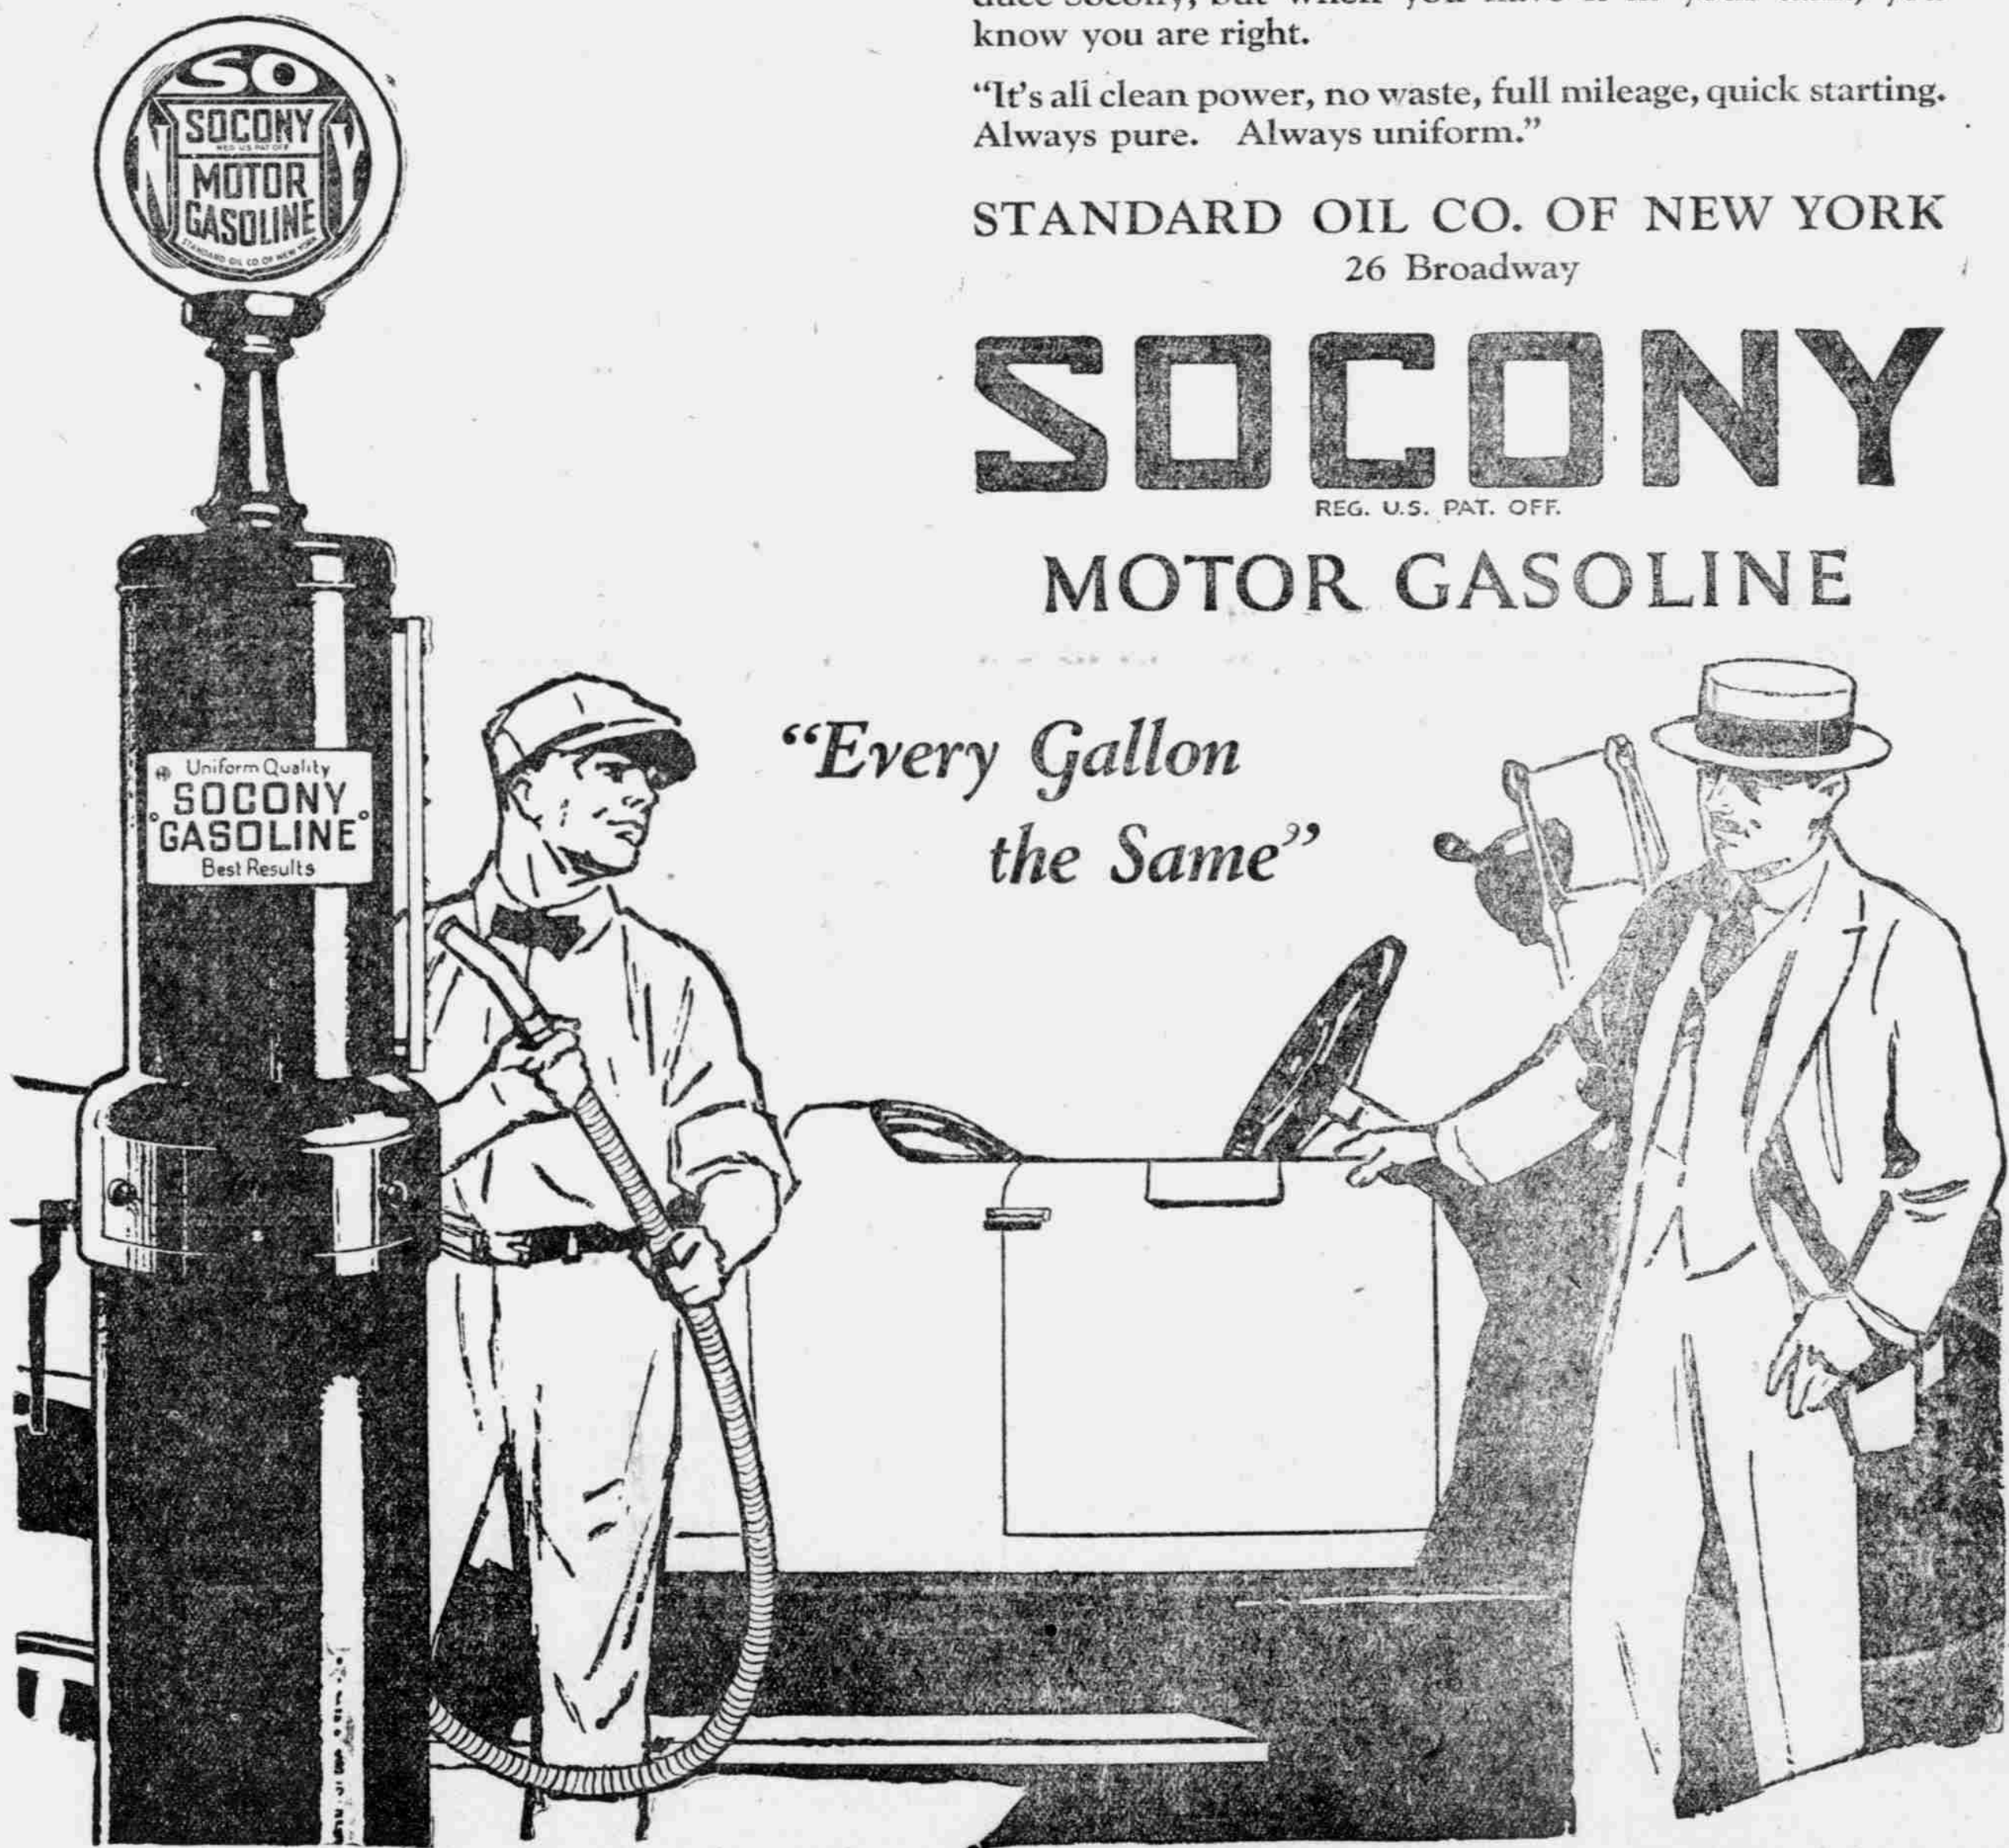

"It's all clean power, no waste, full mileage, quick starting. Always pure. Always uniform."
